Arano Crianza 2020 6x75cl

Winemaker Notes

Produced with grapes from the Moradillo de Roa in Ribera, this is a refined wine showing great finesse.

Vineyard

From terrace vineyards which are composed of gravel, silt, and sandy loam soil. The soils are of variable depth with a medium-high level of limestone.

Winemaking

Hand harvesting in 10kg cases, processed in stainless steel tanks with cold pre-fermentation maceration for 4 days, followed by alcoholic fermentation. Malolactic fermentation also takes place in stainless steel tanks. Once completed, the wine was then aged in French oak barrels for 15 months. Selected yeast.

Vintage

The 2020 campaign has been marked by a greater volume of rainfall as well as slightly lower temperatures than in other years, leading to fresher wines. In a key stage such as ripening, both the slightly lower temperatures and the rainfall helped us to make it longer, giving rise to a calm and gradual grape harvest.
