Bela Roble 2022 6x75cl

Winemaker Notes

High-intensity cherry-red cherry colour with purple notes in the border. Aromatic complexity where we find floral notes and red fruit such as currant, raspberry, etc. All this is softened and complemented by fine notes of sweet spices and the nuances of the wood from the barrel (vanilla, clove...). It is a wine of passage marked by a tasty tannin and with personality, the end of mouth takes us to a long and fruity aftertaste with a final minerality that confers elegance and finesse.

Vineyard

Bela is produced from hand harvested, carefully selected grapes from our own vineyards situated at more than 800m altitude in the village of Villalba de Duero. The soils are calcareous clay and sandy loam and the climate here is continental.

Winemaking

The wine making process is traditional, with pre-fermentation cold maceration in stainless steel tanks, and, following fermentation, six months ageing in American and French, new and one-year old oak barrels.

Vintage

The 2022 harvest campaign was one of the driest vintages in recent years, with high temperatures during part of the spring and throughout the summer. Due to these circumstances, the harvest began on September 19, 2 weeks earlier than previous years. C.V.N.E. chose to anticipate the harvest in order to maintain the freshness of the fruit, harvesting all the grapes at their optimal point of ripeness.

Food match

Try with chorizo and aged cheese
