Cune Crianza 2021 6x75cl

Winemaker Notes

A surprisingly aromatic nose with red fruits and liquorice, nicely balanced with the American oak flavours of vanilla, cocoa and caramel.

Vineyard

The grapes come from different locations with a diversity of soils, orientations, pruning and trellising techniques and vine age. Cune Crianza is a blended wine which reflects its own typical style year after year

Winemaking

A surprisingly aromatic nose with red fruits and liquorice, nicely balanced with the American oak flavours of vanilla, cocoa and caramel.

Vintage

The harvest in CVNE began on September 8. and finished on October 10. The weather in Rioja during the 2021 growing season was very diverse. The summer started very dry but the rains in September were decisive for a very positive evolution. In the high and open areas, as well as in the low and medium yielding vineyards, the grapes improved considerably with the help of these rains. Perfect weather in October, with sunny, bright days followed by very cold nights, led to a slow ripening process.
