Cune Gran Reserva 2018

6x75cl

Winemaker Notes

Intense dark cherry colour. Attractive aromas of blackberries, blackcurrants and raspberries, blended together with hints of spice and vanilla. Complex and elegant on the palate with fine tannins and a good length.

Vineyard

Made from hand selected grapes from our vineyards in Rioja Alta

Winemaking

The colour and structure is obtained after alcoholic fermentation maceration. The malolactic fermentation makes the wine suitable for ageing in American and French oaks. Finally the wine was left to age in our centenary cellars where it remained for a minimum of 36 months under optimum temperature and humidity conditions until being released to the market.

Vintage

The 2018 harvest began at Bodegas CVNE on September 19 and finished on October 26 with a good forecast. This vintage year takes us back to La Rioja of old days, with heavy frosts throughout winter, snow and abundant precipitation. Spring was also cold and wet followed by a warm summer but without excessive temperatures and resulting in good ripening of the grapes.

Food match

A perfect companion for any dish of the Mediterranean diet
