### Winemaker Notes

Bright pale yellow in colour with green hints at the rim. The nose shows aromas reminiscent of spring flowers and white fruits such as pear, apple and white currant. The palate is silky and pleasing due to perfect balance between structure and acidity.

### Vineyard

Rioja Alta is the westernmost of Rioja's three sub-areas. It is influenced by the Atlantic Ocean's climate. The soil in Rioja Alta is rich in iron, limestone and clay, along with nutrients deposited in the region by the tributaries of the Ebro River.

### Winemaking

This wine is made from 100% viura grapes. Gentle pressing encouraged the release of free run juice which was then fermented in stainless steel vats at controlled temperature, so facilitating the extraction and conservation of key primary fruit and floral aromas typical of the variety

### Vintage

This year, due to drought and the high temperatures recorded, meant that the grapes were not homogenous at the time of harvest. The weather during harvest helped to maintain the excellent health conditions of the grapes.
