Winemaker Notes

This is a Cabernet Sauvignon of vivid ruby-red colour. Very intense and fresh on the nose, it shows aromas of berries such as raspberries and blueberries along with floral notes and touches of tobacco leaf that make it very complex. On the palate, its structure is rich and well balanced, with fresh-fruit flavours and a vibrant acidity that stands out.

Vineyard

Sourced from blocks in our vineyards with varying soil types: deep granite with layers of clay, very deep sandy-clay colluvial soil & moderately deep clay colluvial soil with embedded stone.

Winemaking

Fermented in stainless steel tanks with soft extraction of the skins. 30% aged for 6 months in second and third use barrels.

Food match

Grilled and Roasted Red Meats

Great match with homemade beef burgers & chips
