## Winemaker Notes

Intense aromas of ripe plum and roasted coffee beans are followed by floral hints. This medium-bodied wine is juicy and displays an ideal balance of acidity and smoothness, structured tannins—delicious by itself or with food. The finish is soft and persistent.

## Vineyard

Colchagua Valley

## Winemaking

Fermentation was performed in stainless steel tanks at initial temperatures of 30° C that were reduced afterwards to 26° C so as to avoid over extraction of the skins. 30% of the blend is aged for 7-9 months in French barrel of second or third use.

## Food match

Grilled and Roasted Red Meats

Enjoy with empanadas or a charcuterie selection
