Winemaker Notes

Intense aromas of ripe plum and roasted coffee beans are followed by floral hints. This medium-bodied wine is juicy and displays an ideal balance of acidity and smoothness, structured tannins—delicious by itself or with food. The finish is soft and persistent.

Vineyard

Colchagua Valley

Winemaking

Fermentation was performed in stainless steel tanks at initial temperatures of 30° C that were reduced afterwards to 26° C so as to avoid over extraction of the skins. 30% of the blend is aged for 7-9 months in French barrel of second or third use.

Food match

Grilled and Roasted Red Meats

Enjoy with empanadas or a charcuterie selection
