Sauvignon Blanc Rose 2023

6x75cl

Winemaker Notes

This Sauvignon Blanc Rose has great aromatic intensity and freshness. With tropical fruits such as mango and passion fruit and delicate notes of fresh strawberries and a slightly herbal touch, it's a great match to a variety of dishes.

Vineyard

From soils of granitic origin, and stony colluvial soil from the central mountain range of Colchagua.

Winemaking

100% in stainless steel tanks.

Vintage

The harvest period at Viña Caliterra began during the last days of February and the first days of March. Even though this year's season was warmer than usual, thanks to a sufficient water supply, the vineyards showed good vigour, achieving a grape harvest of excellent quality.

Food match

Grilled and Roasted White Meats

A perfect aperitif on a Summer's Day.
