Winemaker Notes

A beautiful minerality and freshness with aromas of white fruits such as pear and white peach. Soft citrus notes, as well as almond shell and white flowers, are part of the great bouquet. On the palate it is balanced and elegant.

Vineyard

From the Santo Tomas Vineyard in the Casablanca Valley. A granitic soil with clay and quartz.

Vintage

In Caliterra, even though the 2019 vintage was marked by a decrease in the rainfall rate compared to previous season, a stable spring favoured nice fruit-set and an impeccable sanity of vineyards. Summer temperatures above the historical average allowed to obtain smaller and more concentrated berries, full of colour, with intense flavours and aromas. The grapes reached their optimum maturity faster than normal, which allowed us to begin harvest earlier than usual, obtaining wines of great intensity and complexity.

Food match
