Winemaker Notes

Intense pomegranate red colour, this Malbec confirms the fresh and vivid style already seen in the past versions. Medium intensity on the nose, its very special bouquet opens up with floral and mineral notes and aromas of berries that give way to sweet almonds and fresh tarragon. It feels fresh on the palate, with medium concentration but with great vivacity. The elegance of this Tributo Malbec is complemented with soft tannins, and its crisp acidity allow us to foresee a good ageing potential.

Vineyard

Sourced from our vineyard blocks with deep, colluvial soil with a clay-loam profile, embedded with sharp schist stones.

Winemaking

Fermentation took place in 84% in stainless steel, 16% in previously used French oak barrels using 100% native yeasts.

Vintage

The 2021 season began with a winter of average rains and a warm spring; however, this condition changed drastically during summer, presenting temperatures well below the historical average and numerous cloudy days. The biggest surprise came at the end of January, with abundant rainfall that set off alarms from the Central Valley to the South. The months of February and March were cold, and the ripening advanced slowly. During the last week of March, we had the last rays of sunlight necessary to reach the desired ripeness. The cold summer condition resulted in moderate alcohol and vibrant acidity, producing wines of excellent colour and aromatic intensity, fresh and balanced.

Food match

Grilled and Roasted Red Meats

Enjoy with a classic Brussels pâté & warm toast
