

CHERUBINO

# Uovo Cabernet Nebbiolo

## 2020 6x75cl

### Winemaker Notes

Fine tannins, bright acidity with bay leaf and black current. Long sinewy tannins on the finish.

### Winemaking

Made in a clay cement ovoid tank -a giant "egg" -the lees are continuously forced upward by an internal current resembling a vortex. This gives the wine voluptuousness, purity and texture. There's no added tannin, acid, or animal fining products. There is zero sulfur used throughout the winemaking, and only a minimal amount at bottling.

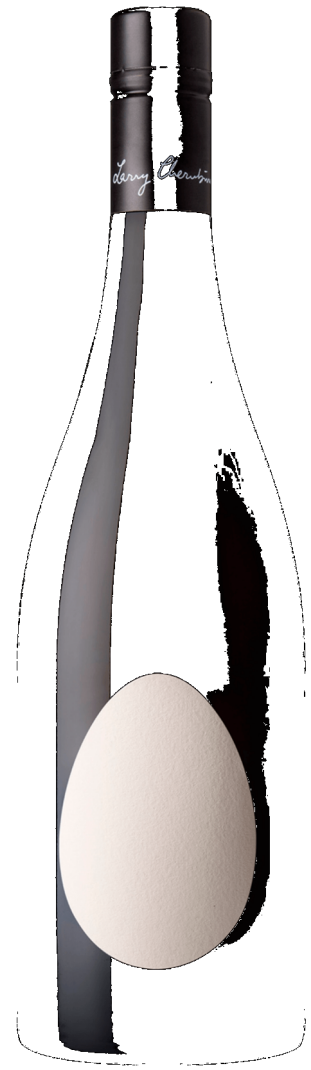

### Vintage

A very dry winter and spring (driest in 100 years). These dry conditions continued throughout summer. Good rainfalls in February provided much needed moisture. Very low crops but exceptional reds.

### Food match

Grilled and Roasted Red Meats

Slow roasted pork

### Grapes

85.7% Cabernet  
Sauvignon  
14.3% Nebbiolo

### Region/Appellation

Frankland River, Great  
Southern, WA

### Alcohol by volume

13.50%

### Residual Sugar

1 g/l

### pH

3.3

### Total Acidity

6.9 g/l

### Drinking Window

2024 - 2030

### Tasting Guide
