Rosé Cuvée de la Pompadour NV 6x75cl

Winemaker Notes

The wine's aroma, delivered on a delicate mousse, hints at wild strawberry, ripe peach, apricot, pomegranate, honeysuckle and exotic spices. Despite its colour, it is a true Brut - as dry as our other wines. And while Domaine Carneros Brut Rose is delicious at a young age, it will also gain wonderful complexity with aging.

Vineyard

Traditionally, fine Rose Sparkling Wine have been made in very small quantities - and this is no exception. Grapes are carefully selected to showcase the great fruitiness of the region's Pinot Noir.

Winemaking

To capture the wine's special fruit character, some of the Pinot Noir juice is allowed several days' contact with the grape skins to extract colour and flavour.

Food match

Classic pairings include duck and salmon, but it is also uniquely compatible with desserts including fresh berries.
