### Winemaker Notes

A brilliant ruby red colour and a combination of aromas of fresh red fruits with herbal and balsamic notes that are characteristic to the variety, all framed with roasted coffee, caramel and pastries coming from the oak. The palate is soft, with flavours of cherries, plums and a subtle note of peppermint. A wine with a good volume and fine tannins, which give a very smooth and pleasant mouthfeel.

### Vineyard

The grapes were harvested and taken to the winery where they were destemmed, crushed and fermented in stainless steel tanks. Depending on the development of each individual lot the post-ferment maceration lasted 10 to 25 days. 75% of the wine was aged in oak barrels for 7 months to round out its tannins and add a sweet note on the palate.

### Vintage

A dry and slightly cold season with low yields delivered healthy grapes and wines with tremendous concentration and structure. The reduced precipitation and excellent health conditions enabled us to produce fresh and vibrant wines with good aromatic intensity that reflect the characteristics of our terroir.
