Winemaker Notes

A powerful nose with floral and fruity aromas of passionfruit and orange. There is an elegant balance between freshness and structure.

Vineyard

The grapes are grown on predominantly siliceous soils. All vineyard processes are carried out in an environmentally-friendly manner, adapted to each terroir.

Winemaking

Following on from cold static settling, the fermentation takes place at low temperatures in temperature controlled stainless steel tanks.

Food match

This wine is a delicate counterpart to seafood, crustaceans, fish and goat's cheese, especially the famous local Crottin de Chavignol.
