# Bouzeron Blanc 2022 6x75cl

## Winemaker Notes

This special Aligoté is well structured, with hints of peaches. The acidity is light and the wine very fresh and lively and not too tannic. Bouzeron is a rather new appellation dating back to 1998, only producing white wine with the Aligoté grape. It is the only identified place in Burgundy where a village appellation is produced with the Aligoté grape (a crossing of gouais and pinot noir).

## Vineyard

Bouzeron is a small village located in the Côte Chalonnaise next to Rully. The size of the appellation is very small: 47 ha.

## Winemaking

Fermentation and vinification take place in stainless steel tanks. This wine is aged in large oak barrels (30% new) and bottled one year after vintage.

## Food match

Grilled and Roasted White Meats

Perfect with mild goats cheese salads and a plate of freshly caught shellfish.
