Winemaker Notes

The Brouilly wine is one of the most attractive of Beaujolais. It is round with touches of violet and iris with a deep colour.

Vineyard

The Beaujolais vineyards are situated in the southernmost part of the Burgundy region. The Brouilly ones are on the Mont de Brouilly slopes, between Villefrance sur Saône and Mâcon.

Vintage

Winter 2021-2022 alternated between mild periods and colder temperatures, such as those we experienced right at the start of the new year. It was more or less dry. The wines are deeply coloured, without being as inky as those of 2018 or 2020. This is a sign that we managed the levels of hydric stress well. The grapes had good levels of ripeness, but, like the whites, the reds are not excessive. The modest levels of acidity throws emphasis onto the silky texture of the tannins. There is good density of fruit in this vintage, and the noses also suggest intense levels of fruit. The maturation period should allow these wines to retain their freshness.
