

# Chambolle-Musigny 1er Cru Les Fuées 2018 6x75cl

## Grapes

100% Pinot Noir

## Region/Appellation

Côte de Nuits

## Alcohol by volume

13.5%

## Residual Sugar

less than 2 g/l

## pH

3.39

## Total Acidity

5.9 g/l

## Drinking Window

2025 - 2038

## Tasting Guide

A B C D E  
Light Medium Full

## Tasting note printed

24/04/2025

## Winemaker Notes

This is a wine with great finesse and delicacy as well as depth, delivering rich fruit, a beautiful colour and firm supple tannins on the long heady finish.

## Vineyard

The Chambolle Musigny vineyards are unique in the Côte de Nuits for the chalky composition of their soils just over a hard rocky bedrock that stresses the vines. Les Fuées is situated just near the Bonnes Mares Grand Cru vineyard. There are a lot of hard stones and it has an easterly exposure.

## Winemaking

This is a wine with great finesse and delicacy as well as depth, delivering rich fruit, a beautiful colour and firm supple tannins on the long heady finish.

## Vintage

2018 has, in short, been probably the most successful vintage since 2015, with some growers harping back to 1990 and even 1947! However, unlike both these vintages, the yields were kind to the growers such were the perfect weather conditions from bud break through to harvest. The end of the vegetative growth cycle took place in hot and often very dry conditions across the region. Isolated localised thunderstorms in July brought with them a sprinkling of rain. In the Côte de Nuits, the south of Nuits Saint-Georges was struck twice by hailstorms. Luckily, however, there was little damage to the vineyards. The vines remained healthy and the sun shone consistently throughout summer. There was barely any need for triage, and it took us a fortnight to pick the entire domaine. For the whites there was an excellent levels of ripeness that lead us to expect great white wines that will be both rich and opulent but balanced by appropriate levels of freshness. In reds, the level of concentration is rare indeed. Colours are deep, yet tannins have an incredibly supple character, the result of perfect levels of ripeness at harvest.
