Meursault Blanc Les Forges 2019 6x75cl

Winemaker Notes

Simply stunning Meursault

Vineyard

Selected from Meursault vineyards

Winemaking

Fermentation takes place in oak barrels, after which the wine is aged in casks for 12 months before being bottled

Vintage

A season of extreme summer temperatures and one of the hottest and sunniest on record which led to lower yields. However, whilst yields are low, the quality and concentration is outstanding, with wines of great character.
