Meursault Rouge 2016 6x75cl

Winemaker Notes

Selected from a hectare of Meursault vineyards located to the north of the village, next to Vonay, unusually planted with Pinot Noir. Here, the soils contain more clay, which leads to the wines having deep colour, powerful tannins and good ageing potential.

Vineyard

Selected from a hectare of Meursault vineyards located to the north of the village, next to Volnay, unusually planted with Pinot Noir. Here, the soils contain more clay.

Winemaking

Grapes are vinified in open vats for around 4 weeks, which brings out all the expressions of the terroir.

Vintage

After a complicated start to the growing season with a number of frost episodes, a dry summer with some much needed rainfall in September meant grapes were harvested at a good level of ripeness from 27 September.
