

Petit Chablis 2022 6x75cl

Winemaker Notes

The Louis Jadot Petit Chablis has been selected for its nice straw yellow colour. It may have a slight green colour in great vintages. It is always a straightforward wine with a very accessible minerality and never too mellow.

Vineyard

Chablis lies in the northern part of Burgundy, half way between Dijon and Paris. The Petit Chablis area is produced in villages such as Chablis, Maligny and Beine. The continental climate (very cold in winter and hot in the summer with frosts in spring) and the marly limestone soils build the unique character of Chablis wines. Almost the entire Chablis region is planted with Chardonnay. The Petit Chablis category represents the first step in the Chablis range; the area of production is 1,006 ha.

Winemaking

Fermentation and ageing take place in stainless steel tanks to preserve as much as possible the fruit and freshness.

Food match

A classic match to smoked salmon.

Grapes

100% Chardonnay

Region/Appellation

Chablis

Alcohol by volume

12%

Residual Sugar

less than 2 g/l

pH

3.27

Total Acidity

6.55 g/l

Drinking Window

2026 - 2030
