Winemaker Notes

The palate is full and concentrated, there is a lovely freshness on entry with gorgeous red fruit accompanied by powerful, melted tannins. The finish is persistent with slightly smoky notes and a hint of liquorice.

Vineyard

Gravelly deposits (calcareous platelets) over a clay matrix. The parcels located on the edge of the garrigue scrubland benefit from an excellent south-facing exposure. These plots will give this blend its power and structure. Loess, a deep well-draining soil providing a constant supply of water, without excess, throughout the vine's vegetative cycle. The Syrah on this type of soil will lend our blend fruit and suppleness.

Vintage

M. CHAPOUTIER had to "keep calm and carry on" throughout this season of drought and heat to constantly adapt the winegrowing work right up to the last minute; responding fast to curb the vegetation when the welcome rains arrived and remaining patient to allow the grapes to reach full maturity. All this made 2022 an astonishing vintage that, as it turned out, was more luminous than sunny.
