Pinot Noir, Alsace 2020

6x75cl

Winemaker Notes

This Riesling has notes of mirabelle-plum, fresh citrus, tangerine, grapefruit with menthol and celery notes. It is slender and crisp on the palate, with a weave of salty bitters underscored by a dash of minerality

Vineyard

Located in the village of Reichsfeld, on the only strip of blue schist in Alsace, this plot lies on a unique subsoil that dates back to the Precambrian (over 542 million years ago). The fairly deep soils and south-facing hillsides lend the wines from the Berg vineyard their exceptionally fruity character, minerality and freshness.

Vintage

With good early growth and mild temperatures, budburst ended in mid-April and branches began to grow nicely. Very soon, the first inflorescences emerged and the sweet perfume of the vine flowers warmed our hearts. The weather was kind to us, temperatures did not soar and there was good rainfall. Disease was contained, and pressures kept under control. During the summer, we enjoyed mild, warm but not excessively hot temperatures and rainfall here and there. The hillside plots benefit most from this type of climate. Bunches ripened before our eyes and we harvested just ahead of schedule. The race was on to prepare for an early vintage. The cooler summer brought good acidity and balance. The fruit notes stand out beautifully against the minerality of the schist. 2020 is looking to be a high-flyer with some fine aromas.
