

# Helmsman Chardonnay 2020

## 6x75cl

### Winemaker Notes

Stone fruit, fig and subtle citrus flavours, balanced by toasty oak.

### Vineyard

Containing some of the higher, cooler vineyard sites in the state, the Central Ranges is an important and recently designated wine-growing zone. It is sometimes better known for the regions it comprises: running north to south along the western slopes of the Great Dividing Range (and in descending order of size): Mudgee, Orange and Cowra.

### Winemaking

The fermentation takes place partially in tanks and oak barrels, which enables the oak to play a supporting role without overpowering the delicate fruit character.

### Vintage

With losses due to smoke or fire damage in some area, meant yields were low, but of the regions unaffected the quality of the grapes is high
