

# Signature Series Riesling

## 2020 6x75cl

### Winemaker Notes

Softly textured, crisp, dry, lemon-lime fruited wine with a fine line of acidity.

### Vineyard

Recognised by many as Australia's newest high-quality Riesling region, this region encompasses a spectrum of sub-districts that are delivery remarkably delicious and often age-worthy wines of tremendous success.

### Winemaking

Neutral yeast was used for the fermentation in order to retain the inherent fruit characters. Besides, as little intervention as possible is made in order to produce a varietally pure, excellent, early to mid-term drinking wine.

### Vintage

With losses due to smoke or fire damage in some area, meant yields were low, but of the regions unaffected the quality of the grapes is high

### Food match

Fish/Shellfish

Try pairing with a light Thai dish

### Grapes

100% Riesling

### Region/Appellation

Great Southern, WA

### Alcohol by volume

12.00%

### Residual Sugar

2.3 g/l

### pH
