

Signature Series Sauvignon Blanc/Semillon 2022 6x75cl

Winemaker Notes

Selected parcels of Sauvignon Blanc (80%) and Semillon (20%) from Western Australia's premier Margaret River region, were fermented separately, without oak maturation and blended to deliver a wine with a little more mid-palate weight than our 100% Sauvignon Blanc – and with a distinctive citrus edge to the fruit spectrum. We're pleased with its crispness and balance.

Vineyard

Climatically, Australia's most reliable wine region, not to mention one of its best known, Margaret River is the ideal home for the Bordeaux varietals Cabernet Sauvignon, Sauvignon Blanc & Semillon, producing distinctive wines of powerful structure and finesse.

Vintage

Classic Margaret River weather of crisp, clear days and cold nights prevailed through mid to late April to end the harvest. Whites ripened later and reds earlier than usual, the latter harvest punctuated by some minor rain events
