

# Wildflower Chardonnay 2022

## 6x75cl

### Winemaker Notes

Traditional white wine fermentation. Malolactic fermentation was avoided on purpose, in order to retain the wine's long fine acidity. The wine was matured in French oak barriques (20% new).

### Vineyard

The grapes come from selected parcels from sites across the Margaret River region, from Karridale in the south through to Wilyabrup in the north.

### Winemaking

Traditional white wine fermentation. Malolactic fermentation was avoided on purpose, in order to retain the wine's long fine acidity. The wine was matured in French oak barriques (20% new).

### Food match

Paired perfectly with a meaty white fish with a creamy sauce.

### Grapes

Chardonnay

### Region/Appellation

Margaret River and Pemberton

### Alcohol by volume

12.5%
