

# Helmsman Chardonnay 2019

## Winemaker Notes

Stone fruit, fig and subtle citrus flavours, balanced by toasty oak.

## Vineyard

Containing some of the higher, cooler vineyard sites in the state, the Central Ranges is an important and recently designated wine-growing zone. It is sometimes better known for the regions it comprises: running north to south along the western slopes of the Great Dividing Range (and in descending order of size): Mudgee, Orange and Cowra.

## Winemaking

The fermentation takes place partially in tanks and oak barrels, which enables the oak to play a supporting role without overpowering the delicate fruit character.

## Vintage

A slightly cooler vintage than 2018 and one of excellent quality, with well balanced fruit.

## Food match

Grilled and Roasted White Meats

Lovely with mackerel pâté.
