

Helmsman Pinot Grigio 2019

Winemaker Notes

Typically fresh and fruity, with soft acidity and a mouth-watering finish.

Vineyard

Containing some of the higher, cooler vineyard sites in the state, the Central Ranges is an important and recently designated wine-growing zone.

Winemaking

The fermentation took place partially in tanks and oak barrels, which enables the oak to play a supporting role without overpowering the delicate fruit character.

Vintage

A slightly cooler vintage than 2018 and one of excellent quality, with well balanced fruit.
