

Wildflower Rosé 2022 6x75cl

Winemaker Notes

Just like the region's flora, this wine is distinctively Western Australian – Made from Shiraz, and sourced from Frankland River, this dry and thirst-quenching ROSE with delicate and refreshing aromas of red fruits is best served chilled and enjoyed immediately.

Vintage

A mild and wet spring prepared the vineyards well for the summer months. As we approached mid December, early heat and dry conditions, driven by strong easterly winds, resulted in reduced yields. However, the fruit was in exceptional condition at harvest. The wines produced this year have great intensity, acidity, and ripeness.
