Mâcon-Villages 2021 6x75cl

Winemaker Notes

A classic Mâcon-Villages from mainly limestone vineyards, aged on its fine lees for 6-8 months. Lively and charming with floral and fruity characters, with notes of lemon fruit on the finish.

Vineyard

The wine-producing soil of Mâconnais is mainly soft limestone over layers of marl, loam and broken pebbles.

Winemaking

The grapes are crushed and pressed before fermentation at controlled low temperatures. It is then aged on lees and bottled after 6-8 months.

Vintage

the 2021 vintage was difficult but, ultimately, surprisingly successful

Food match

A lovely accompaniment to shellfish, fish and starters and excellent as an apéritif.
