Winemaker Notes

Intense aromatics of passionfruit, tropical fruit and background fennel notes lead into a flavoursome, succulent palate in this dry styled wine. A classic Marlborough Sauvignon Blanc that is fresh, pure and long on the palate reflecting the growing season and our premium vineyard sites.

Vineyard

Sourced from premium vineyards in the Wairau and Awatere Valleys, these sites show a range of soil types from alluvial over a papa pan, silt over gravels and stony gravels. Attention to vine and soil health have contributed to optimum flavour and fruit condition. This classic Marlborough Sauvignon Blanc has produced a wine with great purity, concentration and definition.

Vintage

2024 was an exceptional vintage across New Zealand's winegrowing regions. Despite lower yields due to variable weather during the flowering periods, the mid-December shift to an El Niño weather pattern brought dry, settled conditions through harvest. With minimal disease pressure, clean, ripe fruit was harvested, with intense flavours whilst preserving great natural acidity. The 2024 vintage is truly outstanding, and all varieties benefited from near perfect growing conditions.
