Winemaker Notes

Passionfruit, nectarine and lemongrass parade before the beholder. Gentle scents of green herb and flamboyant tropical fruit arrive on the scene while a light-footed streak of crisp vibrancy departs side stage.

Vineyard

Meticulous effort from our viticulture team ensured our Nelson vineyards delivered clean, concentrated, and balanced fruit jam packed with classic Sauvignon Blanc flavours.

Winemaking

The fruit was gently crushed and pressed and the clear juice was run off for a cool ferment with yeast chosen to highlight the punchy aromatics of this variety. After a short period ageing on lees, the wine was blended and bottled.

Vintage

The 2021 season was long and dry across our key wine growing regions creating spectacular conditions to ripen fruit. Our grapes were harvested in perfect condition with excellent flavours and intensity.
