Blush Sauvignon 2021

Winemaker Notes

The Blush Sauvignon reveals vibrant aromas of passionfruit and fresh herbs, with a splash of Merlot adding floral blossom and delicate red berry notes. The cool climate within New Zealand's wine-growing regions provides freshness and natural acidity.

Vineyard

From selected vineyards in Marlborough.

Winemaking

Parcels were crushed, pressed and the juice settled bright prior to being racked and inoculated to ferment at cool temperatures in stainless steel tanks.

Vintage

The 2021 season was long and dry across our key wine growing regions creating spectacular conditions to ripen fruit. Our grapes were harvested in perfect condition with excellent flavours and intensity.
