Winemaker Notes

Juicy little minxes strawberry and cherry playfully flirt with cinnamon and allspice, finally succumbing to the rich, warm and seductive nature of a supple leather chaise lounge.

Vineyard

Sourced from premium vineyards in Marlborough where vines are meticulously managed to ripen fruit in optimum condition.

Vintage

The summer was dry with high sunshine hours during the day and the nights were cooler - typical for Marlborough. Yields were at their optimum level and the stable autumn weather allowed us to extend the hang-time of the fruit on the vines to achieve physiological ripeness.
