Concreto Malbec 2019 6x75cl

Winemaker Notes

Cool fruit and slate character with dried herb undertones.

Vineyard

From Paraje Altamira in the Uco Valley

Winemaking

50% whole cluster fermentation in concrete vats without epoxy using native yeasts and maceration for 20 days. Malolactic fermentation and ageing in concrete vats.

Vintage

2019 vintage was an exceptional one, where the climate conditions allowed us to harvest each region, variety and soil type at the time we were expecting. Spring was generally humid (not necessarily rainy, but humid, with dew points that were higher than average). It has been a year of cool temperatures during a full week of January, and then moderate temperature always below average. The same thing happened during February and March, however this was a year of high luminosity.

Food match

Grilled and Roasted Red Meats

Enjoy with chargrilled steak or rich flavoursome stews
