Winemaker Notes

Expressive and refined pure dark fruit flavours of plum and blackcurrant with earthy notes of herbs and spices. A long, fragrant and perfectly poised finish.

Vineyard

Alluvial soils, with gravel covered with calcium carbonate at a shallow depth, caliche and calcareous sands.

Winemaking

Expressive and refined pure dark fruit flavours of plum and blackcurrant with earthy notes of herbs and spices. A long, fragrant and perfectly poised finish.

Vintage

It was a great vintage. With a cool and humid climate, the clusters had the necessary time to reach maturity with a perfect balance of sugar and acidity. Our meticulous work separating plots and types of soil for harvesting (which has been going on for more than a decade) allowed us to harvest every corner of our vineyards at the perfect time, thus showing the great diversity that characterizes the Uco Valley.
