Polígonos San Pablo Verdejo

2022 6x75cl

Winemaker Notes

Poligonos is a selection of varietals that are faithfully displayed, according to the town where they come from. There is a rich and deep expression of the of the San Pablo vineyard in this wonderfully crisp, fresh, honest wine.

Vineyard

Alluvial soil well stratified. Small middle eroded stone on a sandy-clay layer.

Winemaking

Direct pressing. Maceration done in concrete vats (no epoxy) with indigenous yeast. Malolactic fermentation in concrete vats.

Vintage

The 2022 harvest season will surely be remembered as a cool and greatly balanced one, proving itself to be perhaps one of the most challenging and surprising seasons within the last ten years when it came to decoding and understanding the laws of nature. A season marked by multiple climate milestones that allowed for ample room for ripeness across our vineyards, which we, as winegrowers, used to our advantage through both patience and dedication.
