Q Chardonnay 2018

Winemaker Notes

Zuccardi's Q series wines are made from small parcels of top-quality old vine fruit marked by their depth and concentration.

Vineyard

Grapes are harvested (by hand) from the end of February through to the middle of March to ensure they reach the winery in tip-top condition.

Winemaking

The grapes were direct pressed. Fermented in concrete and used oak barrels with native yeasts. Aging "sur lie" without malolactic fermentation.

Food match

Grilled and Roasted White Meats

Try with Roasted Romanesco, Mushrooms, and Onions with Polenta tossed with an herb, lemon, and caper sauce
